

# 2015 UK-Japan Silicon Nanoelectronics & Nanotechnology (UK-Japan Si NANO<sup>2</sup>) Symposium in Southampton

9 – 10 July 2015

University of Southampton, UK

*The symposium provides an unprecedented opportunity to meet top Japanese and UK researchers at the University of Southampton, a leading institution of nanoelectronics and nanotechnology in the UK, and to strengthen the UK-Japan links for future collaboration.*

Scope

*Novel Si nanodevices, Novel materials for nanoelectronics, Nanofabrication, Quantum Technology, Micro and nano systems*

Invited speakers

**JAPAN**

- Prof Shunri Oda, Tokyo Tech
- Prof Nobuyoshi Koshida TUAT
- Dr Akira Fujiwara NTT BRL
- Dr Takayuki Iwasaki Tokyo Tech
- Prof Kae Nemoto, NII
- Dr Marek Schmidt, JAIST

**UK**

- Prof Bill Milne University of Cambridge
- Dr David Williams Hitachi Cambridge Lab
- Dr Zahid Durrani Imperial College London
- Dr Karol Kalna Swansea University
- Dr Jon Fletcher NPL
- Dr Dinesh Pamunuwa University of Bristol
- Dr Hanna Sykulska-Lawrence University of Oxford
