

JAPAN SOCIETY FOR THE PROMOTION OF SCIENCE
APPLICATION FOR JSPS SHORT-TERM AWARD PROGRAMME

Host Institutes

Please find below a list of approved Japanese Host Institutions. Please note this list is not exhaustive and should your preferred Host Institution not be included, please check with JSPS London Office in advance if it can be approved.

The list below includes:

- 1) Japanese Universities
- 2) Inter-university research institutes
- 3) Research institutes and scientific research corporations under the jurisdiction of the Ministry of Education, Culture, Sports, Science and Technology (MEXT)
- 4) Other research institutes or scientific research corporations which are listed below

National Laboratories

Central Customs Laboratory
Geographical Survey Institute
International Medical Center of Japan
Meteorological Research Institute, JMA
National Cancer Center
National Cardiovascular Center
National Center for Child Health and Development
National Center of Neurology and Psychiatry (NCNP)
National Institute for Land and Infrastructure Management
National Institute for Longevity Sciences
National Institute for Minamata Disease
National Institute of Health Sciences
National Institute of Infectious Diseases
National Institute of Population and Social Security Research
National Institute of Public Health
National Institute of Science and Technology Policy
National Research Institute of Police Science, Japan
Policy Research Institute, Ministry of Agriculture, Forestry and Fisheries

Independent Administrative Institutions and Public Corporation

Building Research Institute
Center for National University Finance and Management
Civil Engineering Research Institute of Hokkaido
Electronic Navigation Research Institute
Equine Research Institute, JRA
Fisheries Research Agency
Forest Tree Breeding Center
Forestry and Forest Products Research Institute
Japan Aerospace Exploration Agency
Japan Atomic Energy Research Institute
Japan International Research Center for Agricultural Sciences
Japan Marine Science and Technology Center
Japan Nuclear Cycle Development Institute
Japan Science and Technology Agency (JST)
Japan Sewage Works Agency
Marine Technical College
National Agriculture and Bio-oriented Research Organization
National Center for University Entrance Examinations
National Food Research Institute
National Institute for Agro-Environmental Sciences
National Institute for Environmental Studies
National Institute for Materials Science
National Institute for Rural Engineering
National Institute of Advanced Industrial Science and Technology
National Institute of Agrobiological Sciences
National Institute of Health and Nutrition
National Institute of Industrial Health
National Institute of Industrial Safety
National Institute of Information and Communications Technology
National Institute of Multimedia Education.
National Institute of Radiological Sciences
National Institution for Academic Degrees and University Evaluation
National Maritime Research Institute
National Research Institute for Earth Science and Disaster Prevention
National Research Institute of Brewing
National Research Institute of Fire and Disaster
National Traffic Safety and Environment Laboratory
NHK Science & Technical Research Laboratories
Port and Airport Research Institute
Public Works Research Institute
RIKEN (The Institute of Physical and Chemical Research)

Non-Profit Organizations

Akajima Marine Science Laboratory, ETMER
Central Research Institute of Electric Power Industry
Chemicals Evaluation and Research Institute, Japan
Hokkaido River Disaster Prevention Research Center
Institute for Environmental Sciences
Institute for Laser Technology
Institute of Research and Innovation
Institution for Transport Policy Studies
International Association of Traffic and Safety Sciences
International Development Center of Japan
Iwate Biotechnology Research Center
Japan Automobile Research Institute
Japan Chemical Analysis Center
Japan Environmental Sanitation Center
Japan Fine Ceramics Center
Japan Power Engineering and Inspection Corporation
Japan Synchrotron Radiation Research Institute
Japan Weather Association
Japan Wildlife Research Center
Japanese Foundation for Cancer Research
Kanagawa Academy of Science and Technology
Nippon Institute for Biological Science
Okayama Ceramics Research Foundation
Osaka Bioscience Institute
Overseas Coastal Area Development Institute of Japan
Plant Ecochemicals Research Center
Radiation Effects Research Foundation
Railway Technical Research Institute
Remote Sensing Technology Center of Japan
Sagami Chemical Research Center
Superconductivity Research Laboratory, International Superconductivity Technology Center
The New Industry Research Organization
The Research Institute of Tuberculosis, Japan Anti-Tuberculosis Association
The Tottori Mycological Institute
Tokyo Metropolitan Institute of Gerontology
Tokyo Metropolitan Organization for Medical Research

Prefecture Research Institutes

Agricultural Biotech Research Center of Aomori Prefecture
Aichi Cancer Center
Akita Research Institute of Advanced Technology
Aomori Industrial Research Center
Center for Environmental Science in Saitama

Chiba Cancer Center
Chiba Prefectural Environmental Research Center
Fukuoka Industrial Technology Center
Gifu Prefectural Institute of Health and Environmental Sciences
Gifu Prefectural Research Institute of Manufacturing Information Technology
Hokkaido Food Processing Research Center
Hokkaido Forest Products Research Institute
Hokkaido Institute of Environmental Sciences
Hyogo Prefectural Institute of Industrial Technology
Ibaraki Agricultural Center
Industrial Research Center of Ehime Prefecture
Industrial Research Institute of Ishikawa
Industrial Technology Center of Nagasaki
Industrial Technology Center of Okayama Prefecture
Iwate Industrial Research Institute
Kanagawa Cancer Center Research Institute
Kanagawa Environmental Research Center
Kanagawa Industrial Technology Research Institute
Lake Biwa Research Institute
Miyagi Cancer Center
Natural History Museum and Institute, Chiba
Niigata Prefectural Institute of Public Health and Environmental Sciences
Oita Industrial Research Institute
Osaka City Institute of Public Health and Environmental Sciences
Osaka Prefectural Institute of Public Health
Research Institute for Brain and Blood Vessels Akita
Research Institute of Industrial Products, Gifu Prefectural Government
Research Institute, Osaka Medical Center for Cancer and Cardiovascular Diseases
Research Institute Osaka Medical Center for Maternal and Child Health
Saitama Cancer Center
Technology Research Institute of Osaka Prefecture
Textile Research Institute of Gunma Prefecture
Tokyo Metropolitan Institute of Public Health
Toyama Forestry and Forest Products Research Center
Toyama Industrial Technology Center
Toyama Institute of Health
Toyama Prefectural Fisheries Research Institute
Toyama Prefectural Institute for Pharmaceutical Research
Yamanashi Institute of Environmental Sciences
