British Academy: overseas@britac.ac.uk

Application deadlines: 30 September, 15 January and 15 April

(The Royal Society and the British Academy are nominating authorities in the UK with a quota from JSPS.
Candidates based in the UK can apply directly to either organisation depending on their research field.)

JSPS Standard Award

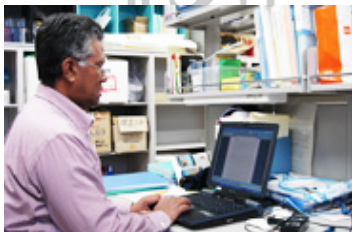

This fellowship provides the opportunity for Post Doctoral researchers to conduct collaborative research for 12 to 24 months at universities and institutions in Japan.

Eligibility:

Candidates must hold a PhD at the time of starting their fellowship or have obtained their PhD within the last 6 years of applying to go to Japan.

Tenure:

Fellowships must be taken up between April to the end of November.

Value of Award:

(1 ≙ ¥150)

- A Monthly Allowance of approx. £2,400 (¥364,000)
- A Settling in Allowance of approx. £1,300 (¥200,000)
- A Research Grant of up to approx. £10,000 (¥1,500,000) per year for cooperative research-related expenses (“Grant-In-Aid for Scientific Research” applied for separately by the Japanese Host)
- A Round Trip Air Ticket
- Overseas Accident, Travel and Sickness Insurance

How to Apply:

Researchers based in the UK will be able to apply directly to the Royal Society or British Academy as the nominating authorities for JSPS. Please check their respective websites for more details: Royal Society: <http://www.royalsoc.ac.uk/JSPS-Postdoctoral-Fellowship-Program/> British Academy: <http://www.britac.ac.uk/funding/guide/intl/jspspdfnfa.cfm> It is also possible to submit an application through a host researcher in Japan to JSPS Head Quarters. More information can be found on their website at:
