

第11回在英日本人研究者会議 JBUK

Japanese Researcher's Network Based in the UK

3 February 2016

プログラム

- 13:00 開会挨拶 竹安邦夫JSPSロンドンセンター長
13:05 参加者自己紹介
13:30 JSPSロンドンとJBUKの概要説明
13:45 ディスカッション(途中でCoffee Break)
① JBUK Japan Award(仮)
② JBUKと同窓会の共催イベント
③ JBUKのロゴ
④ その他、今後の活動の要望等
16:00 終了

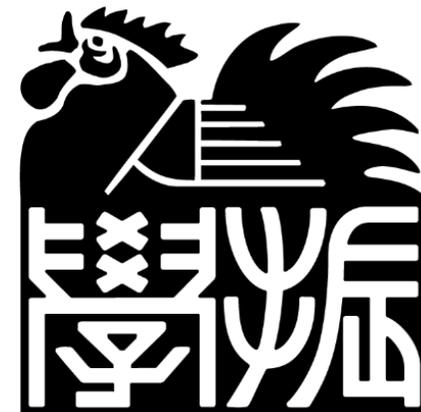

JSPS London

<http://www.jsps.org>

Japan Society for the Promotion of Science 日本学術振興会

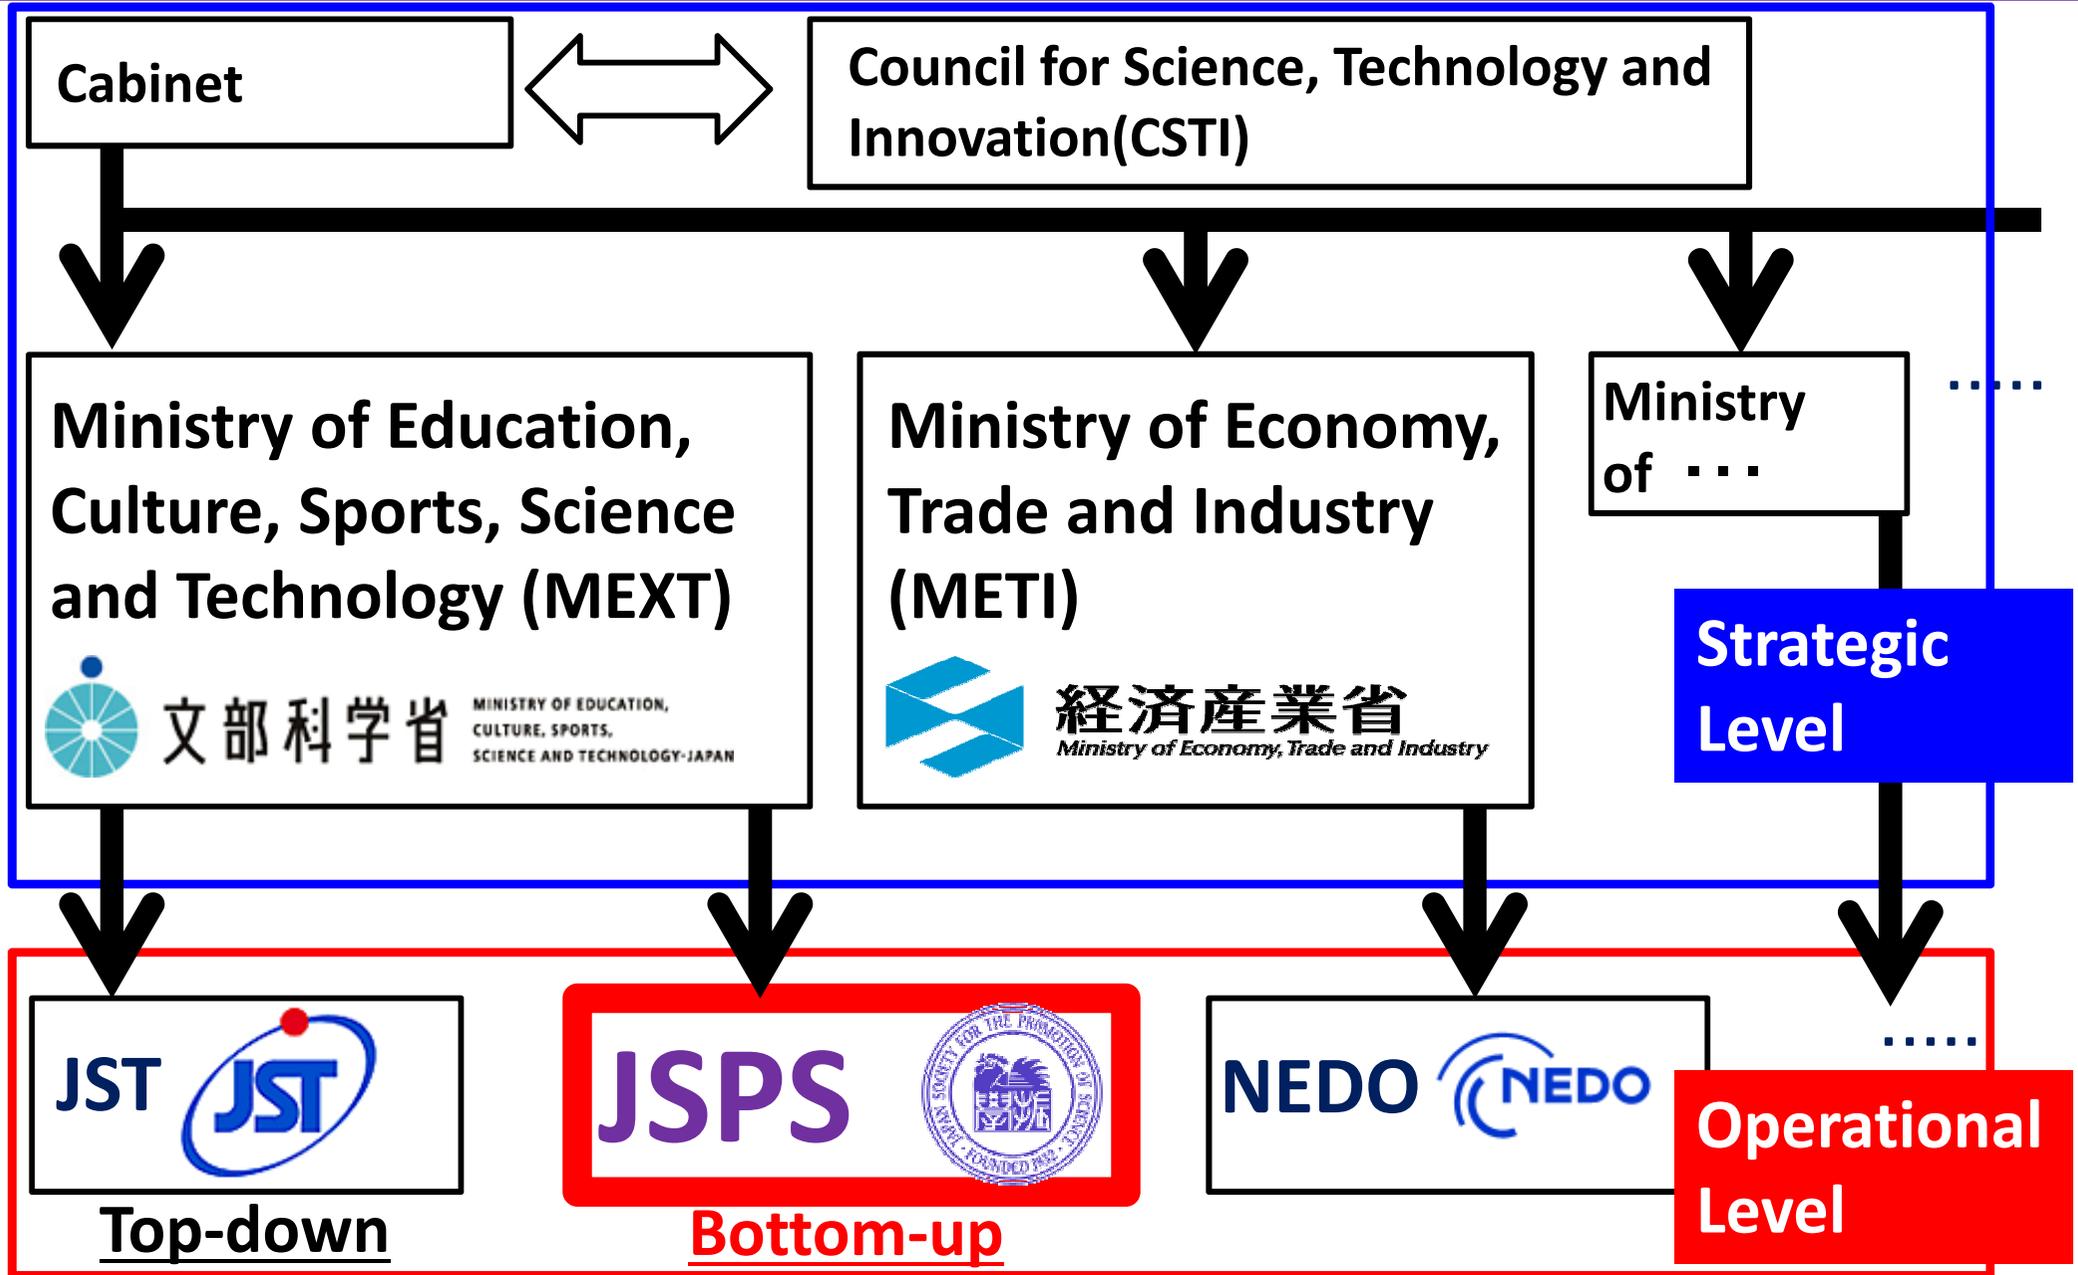

- Established through an endowment by Emperor Showa in 1932

Rooster:
Harbinger of new knowledge that
promises a brilliant future for
humankind.

Who we are

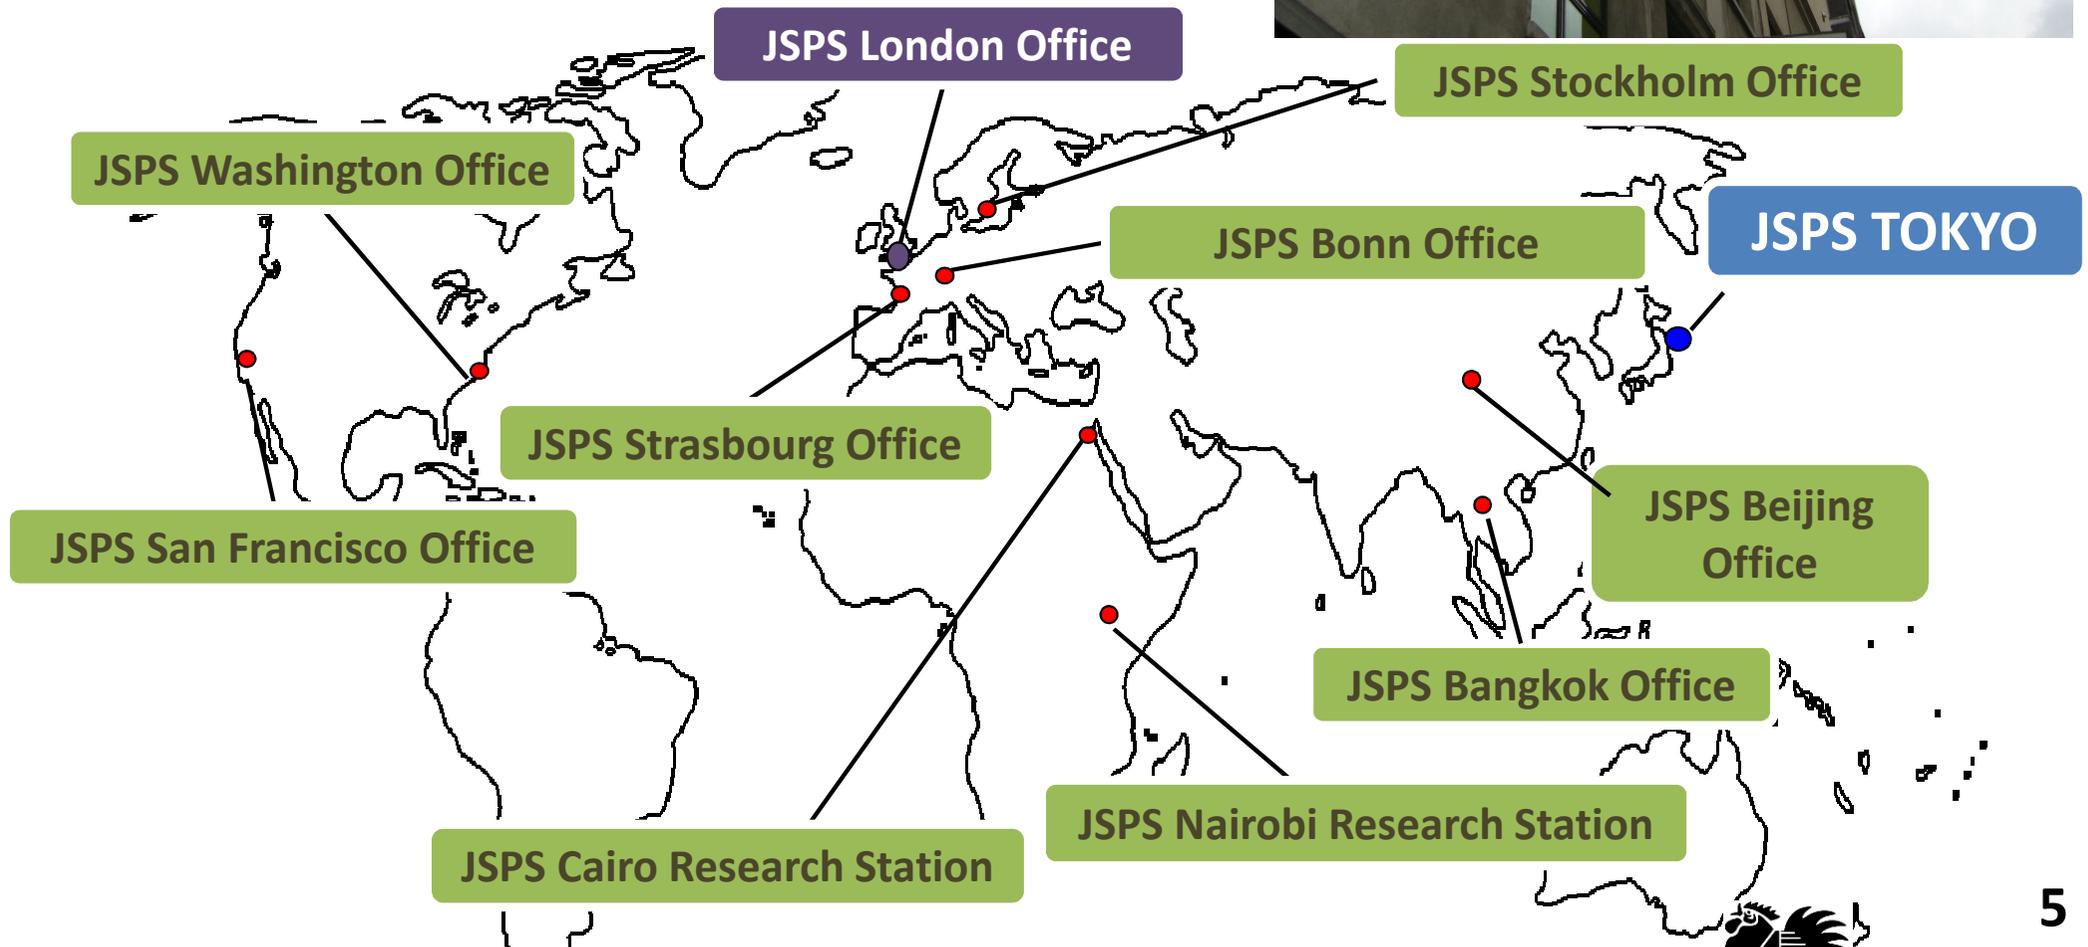

What we do

- **Support for research initiatives**
Competitive research funding: Grants-in-Aid
- **Fostering the next generation of researchers**
Research fellowships for young scientists
- **Support for university reform**
Joint programs with MEXT
- **International collaborations**
Collaborations with overseas partners

JSPS London

Established in 1994

Strengthen Japan-UK academic linkages

International Collaboration Programmes

INSTITUTION TO INSTITUTION

Multilateral

- Core-to-Core Programme

GROUP TO GROUP

Bilateral

- Open Partnership Joint Projects/Seminars

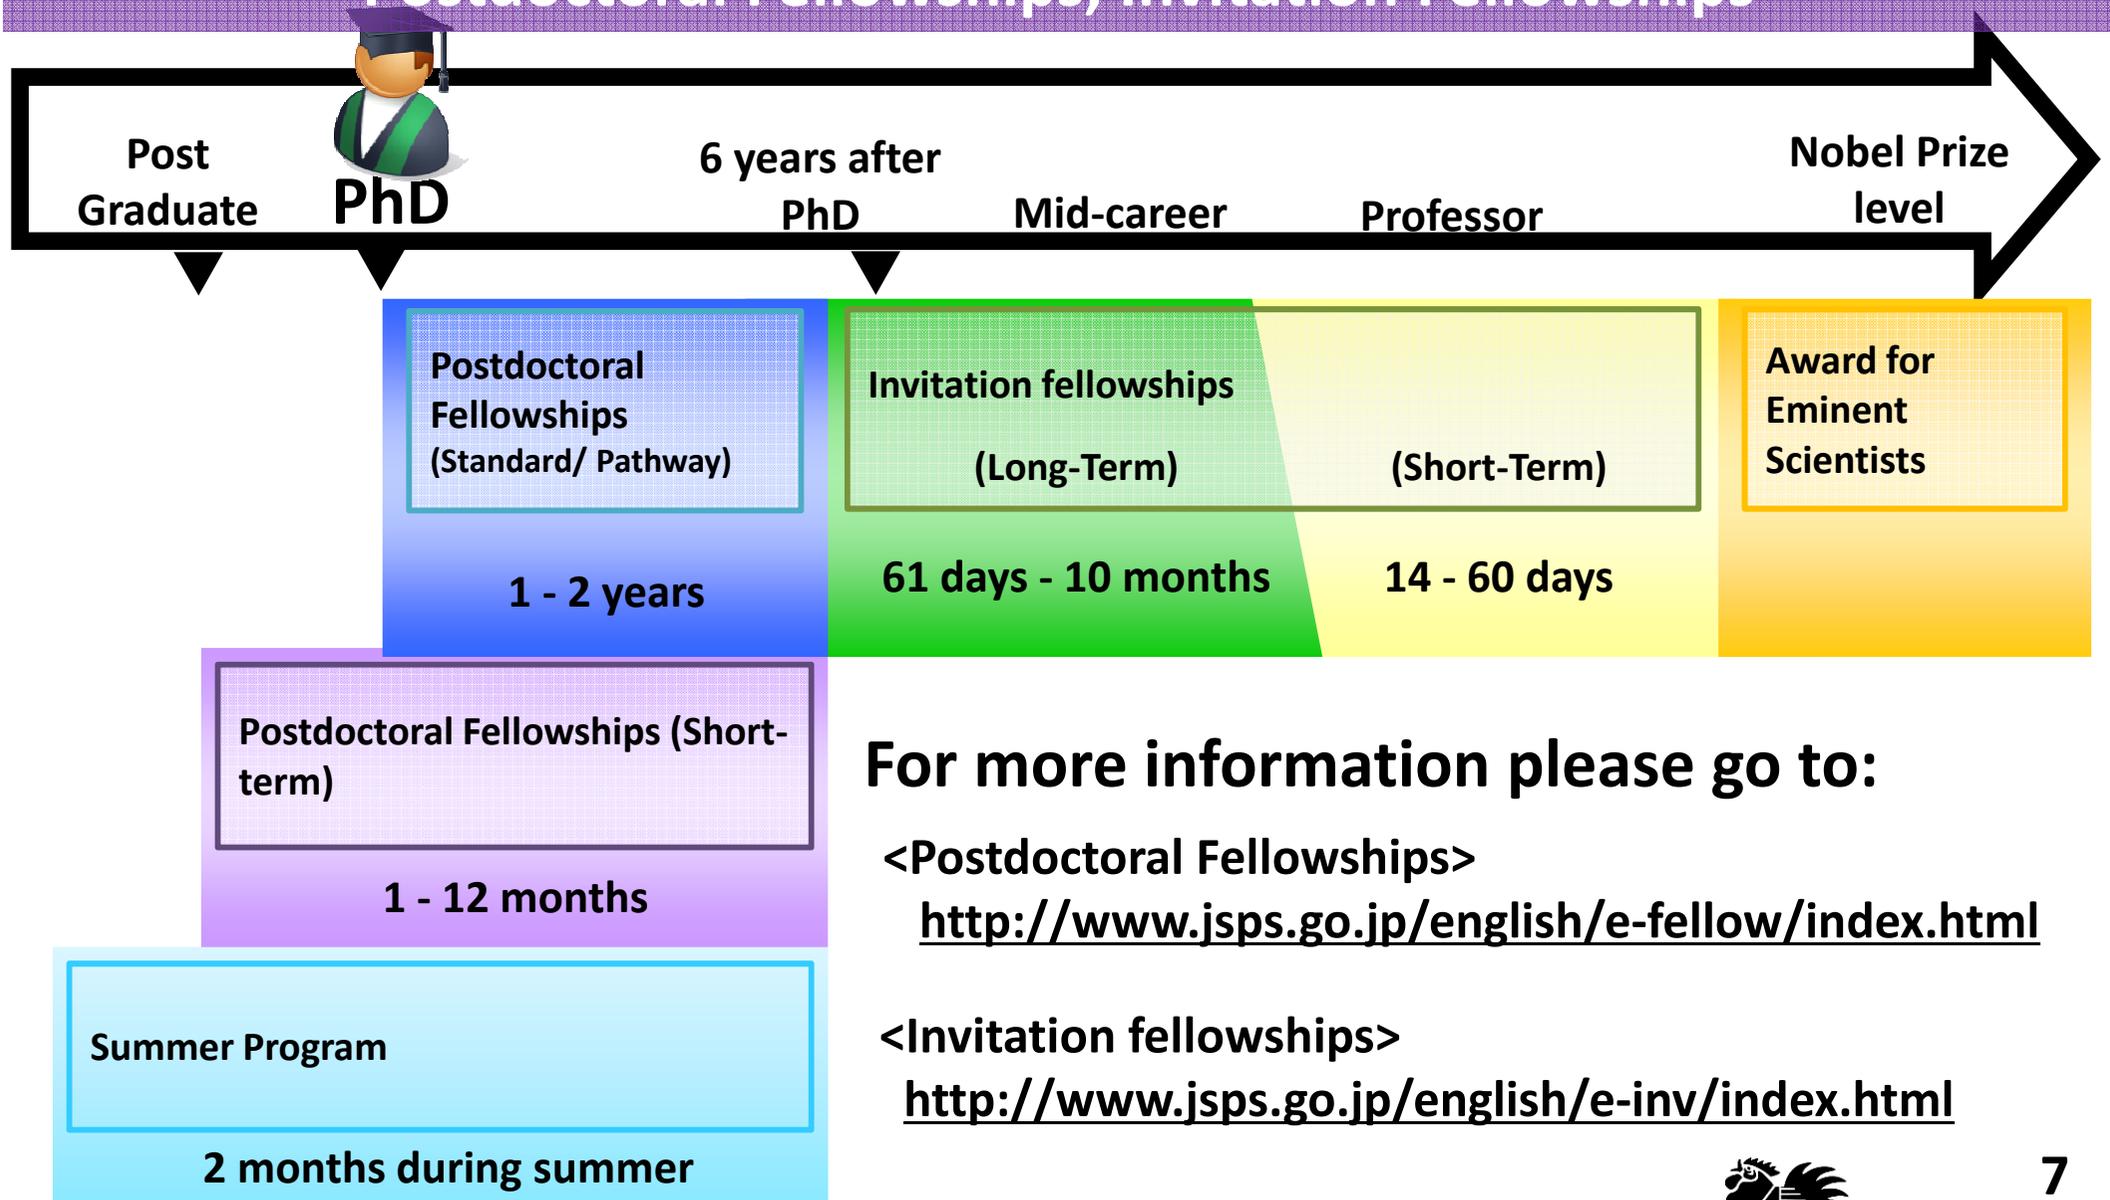

INDIVIDUALS

- Postdoctoral Fellowships
- Invitation Fellowships

International Collaboration Programmes

Core-to-Core Programme, Open Partnership Joint Projects/Seminars,
Postdoctoral Fellowships, Invitation Fellowships

International Collaboration Programmes

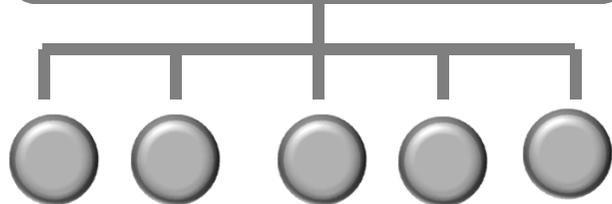

Core-to-Core Programme, Open Partnership Joint Projects/Seminars,
Postdoctoral Fellowships, Invitation Fellowships

Purpose:

- Build multilateral linkages between Japanese and overseas research cores in cutting-edge scientific fields
- Foster early career researchers through joint activities.

Annual funding:

Max. £120,000 per year for up to 5 years. ※1 GBP = 170 JPY

Matching fund required.

• Currently 17 UK research institutions involved in a JSPS Core-to-Core project:

- University of Oxford (x3)
- University of Glasgow (x2)
- University of Birmingham
- University College London
- University of Bristol
- University of Warwick
- University of Aberdeen
- Imperial College London
- University of St. Andrews
- University of Edinburgh
- King's College London
- University of Leeds
- University of Dundee
- University of York

International Collaboration Programmes

Core-to-Core Programme, Open Partnership Joint Projects/Seminars,
Postdoctoral Fellowships, Invitation Fellowships

Purpose:

-to carry out bilateral joint projects and seminars that build researcher networks

Annual funding:

£15,000 per year ※1 GBP = 170 JPY

Project:1-2 year or Seminar:1 week

Matching fund strongly expected.

Please visit:

“Funding Opportunities” at JSPS London website.

JSPS London Symposium Scheme:

UK-Japan Silicon Nanoelectronics and Nanotechnology Symposium in Southampton (9th to 10th July 2015, University of Southampton)

UK-Japan Symposium "Loch Lomond Symposium on Action Anticipation" (2nd to 3rd September 2015, Strathclyde University)

Pupil Informatics Symposium (14th to 15th September 2015, University of Oxford)

Deconstructing boundaries: Is 'East Asian Art History' possible?" (10th to 11th October 2015, SOAS, University of London)

UK-Japan Symposium on Atomic and Molecular Manipulation: Force and Tunnel Current in Scanning Probe Microscopy (15th to 16th December 2015, University of Nottingham)

Joint Seminar with the British Academy:

Growing Cities, Divided cities?

(27th January 2016, The British Academy)

UK-Japan Symposium with Royal Society of Chemistry

UK-Japan Symposium on Fundamental Research Advances in Carbon Nanomaterials

(13th June 2016, The Royal Society of Chemistry)

UK-Japan Frontiers of Science Symposium with the Royal Society

(7th to 9th November 2016, The Royal Society Chicheley Hall)

JSPS イギリス・アイルランド同窓会

JSPSのフェローシップを経験した在英研究者
2003年～、約600名

JBUK(在英日本人研究者会)

在英の日本人研究者の緩やかなネットワーク
2006年～、約350名

JBUKのこれまで

2006～2009年（設立・創成期）

- 在英の主にPIの研究者にお集まりいただき、イギリスの研究環境などをもとに、日本（文科省等）へ助言・提言
→2006年の会議から実現したものの
日本の学生の海外派遣
（2009年組織的な若手研究者等海外派遣プログラム）
科研費の年度しぼりの弾力化（2011年基金化）
若手研究者の表彰（2010年育志賞）

2010年シンポジウム・スキーム開始

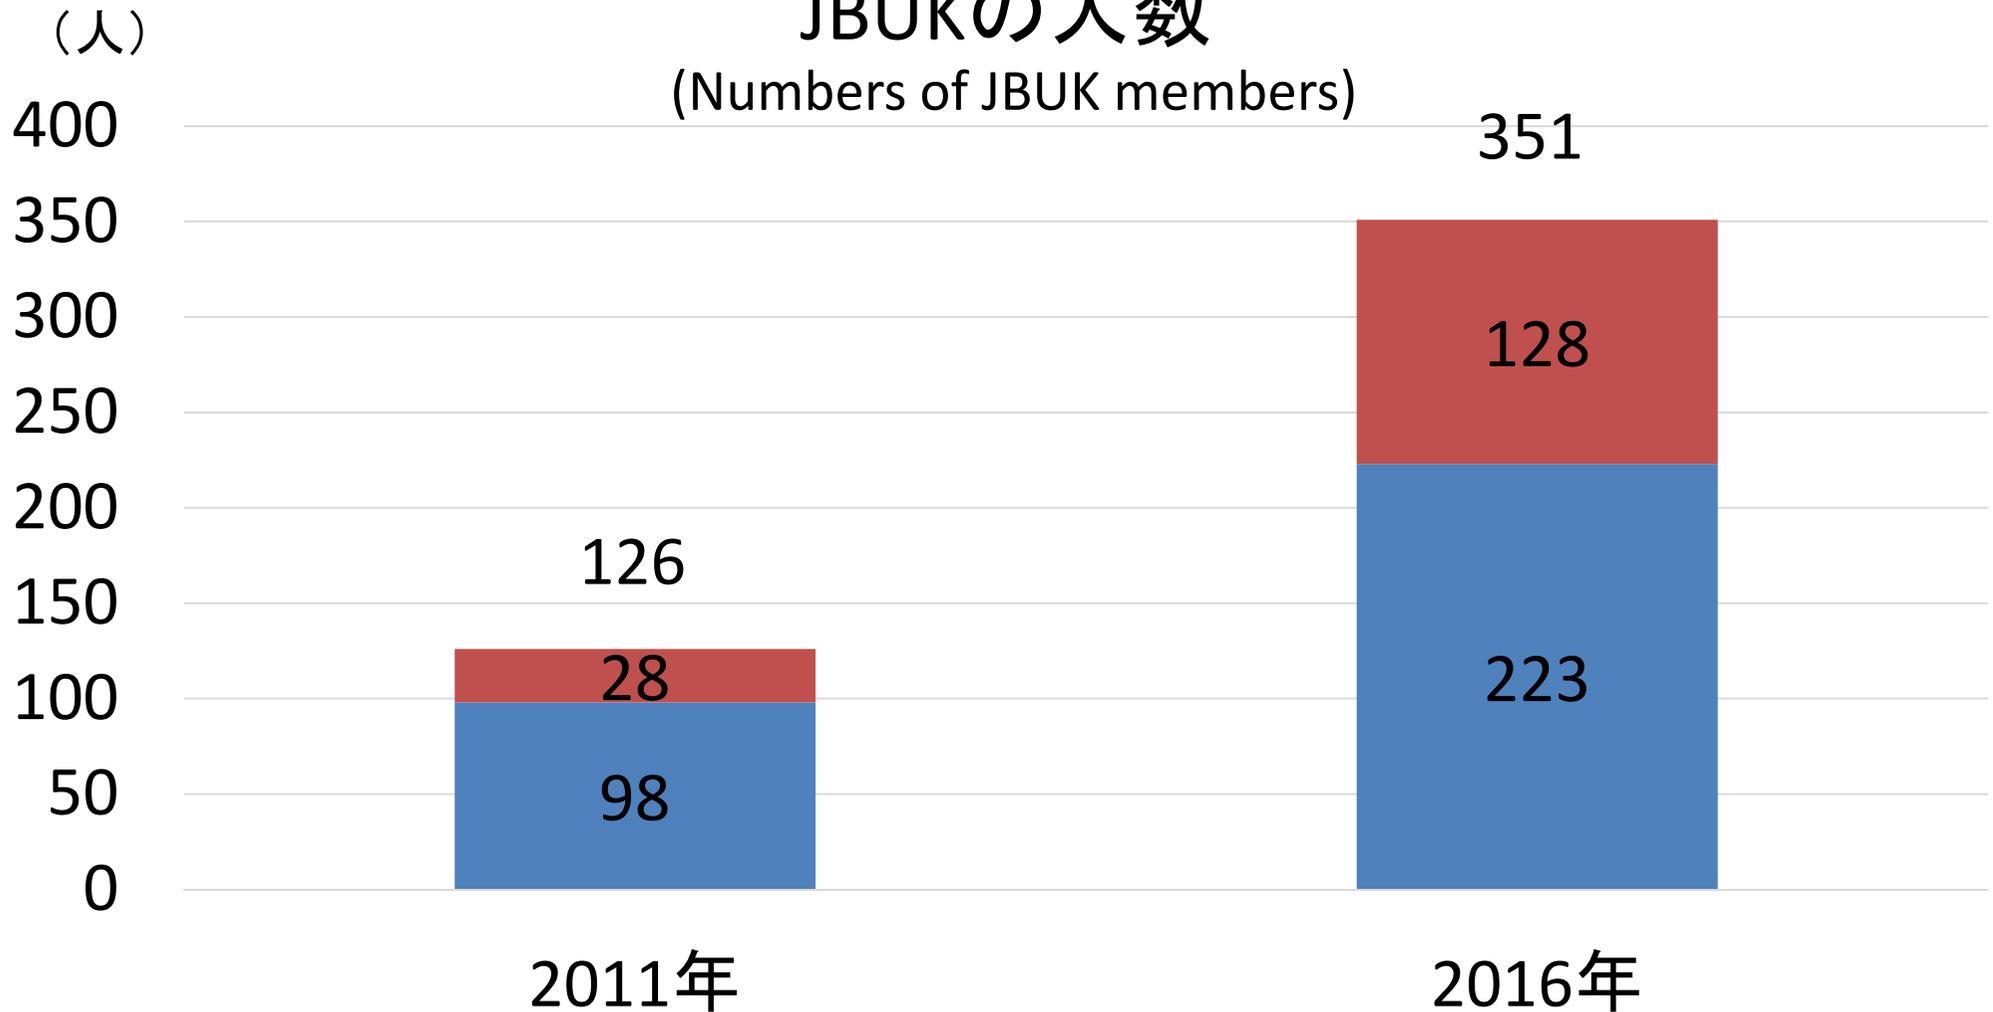

2011～2015年（量的拡大期）

- 学生まで対象を広げ、在英日本人研究者のネットワーキング機会を提供（毎回約50名の参加）

JBUKのこれまで

JBUKの人数

(Numbers of JBUK members)

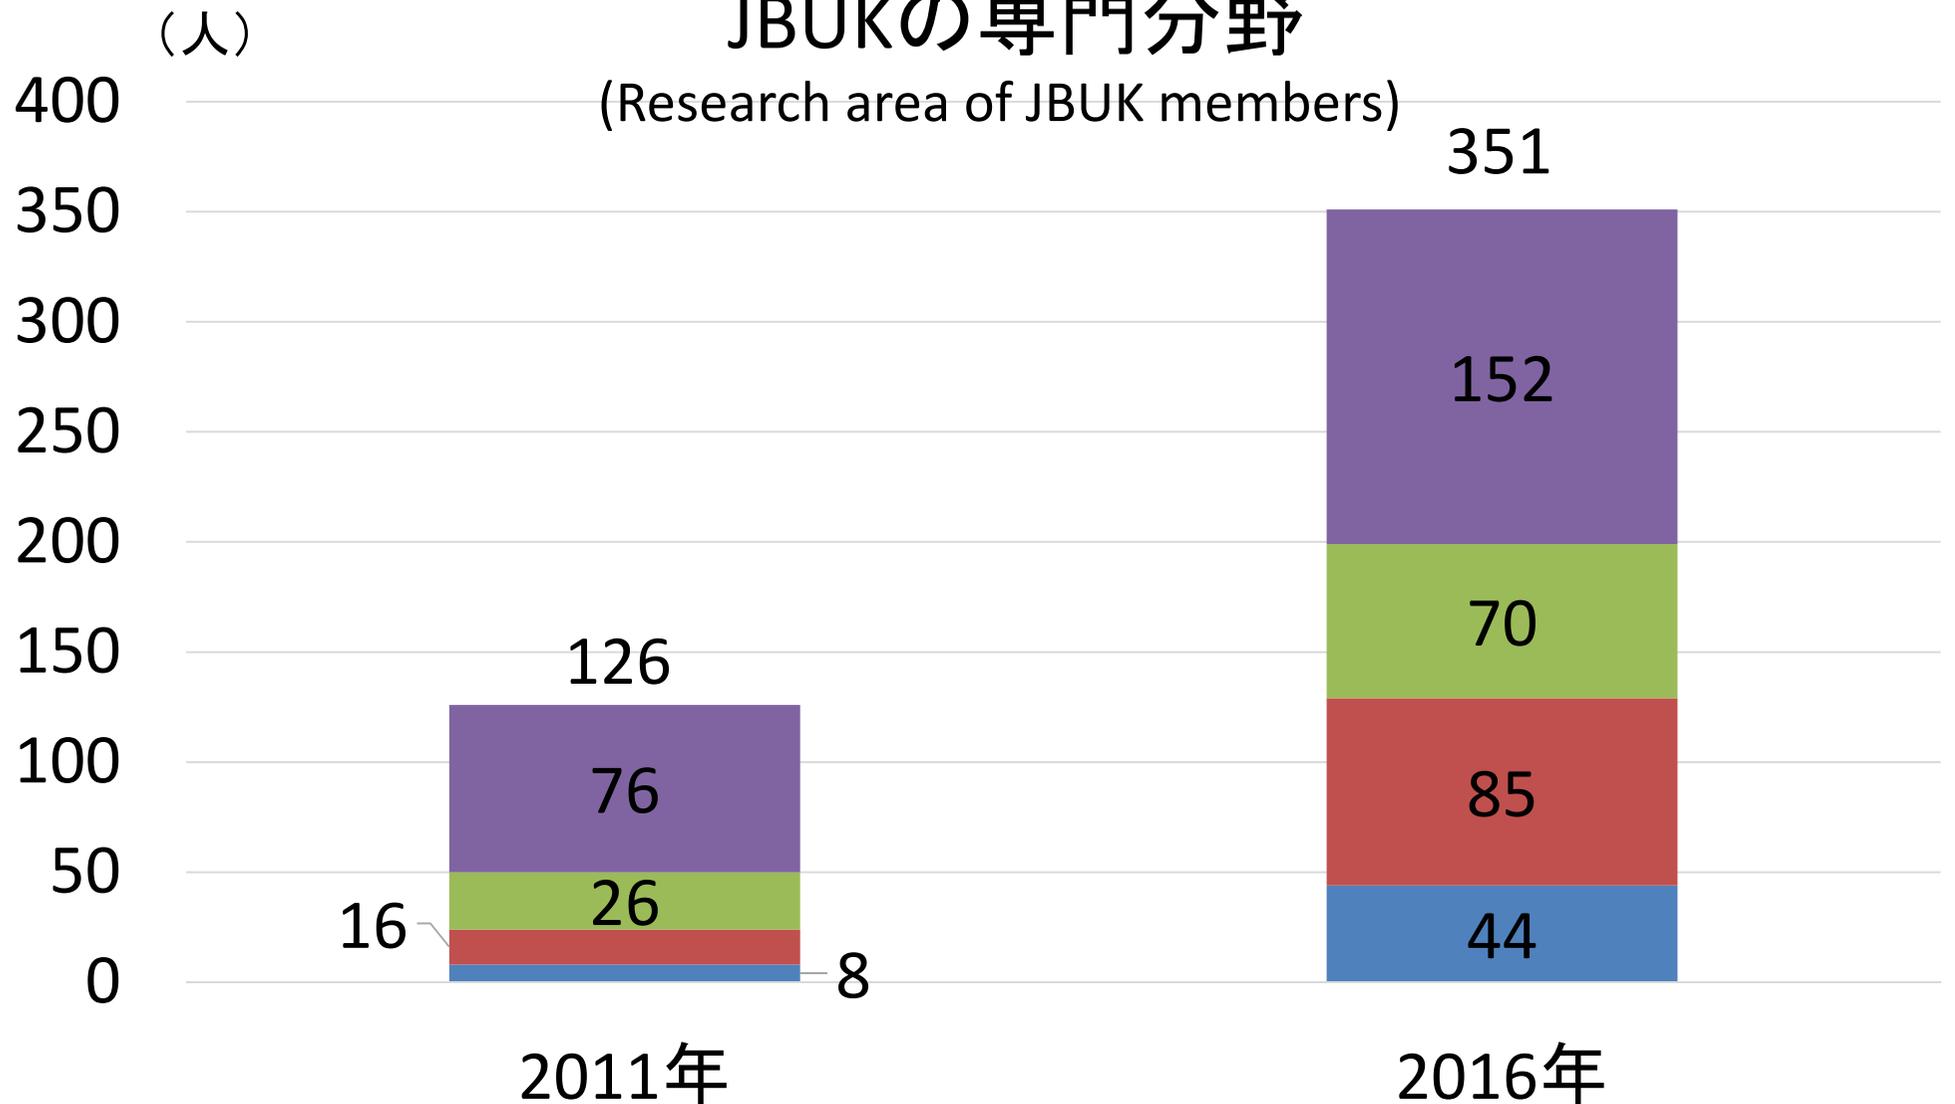

■ 男性 (Male) ■ 女性 (Female)

JBUKのこれまで

JBUKの専門分野

(Research area of JBUK members)

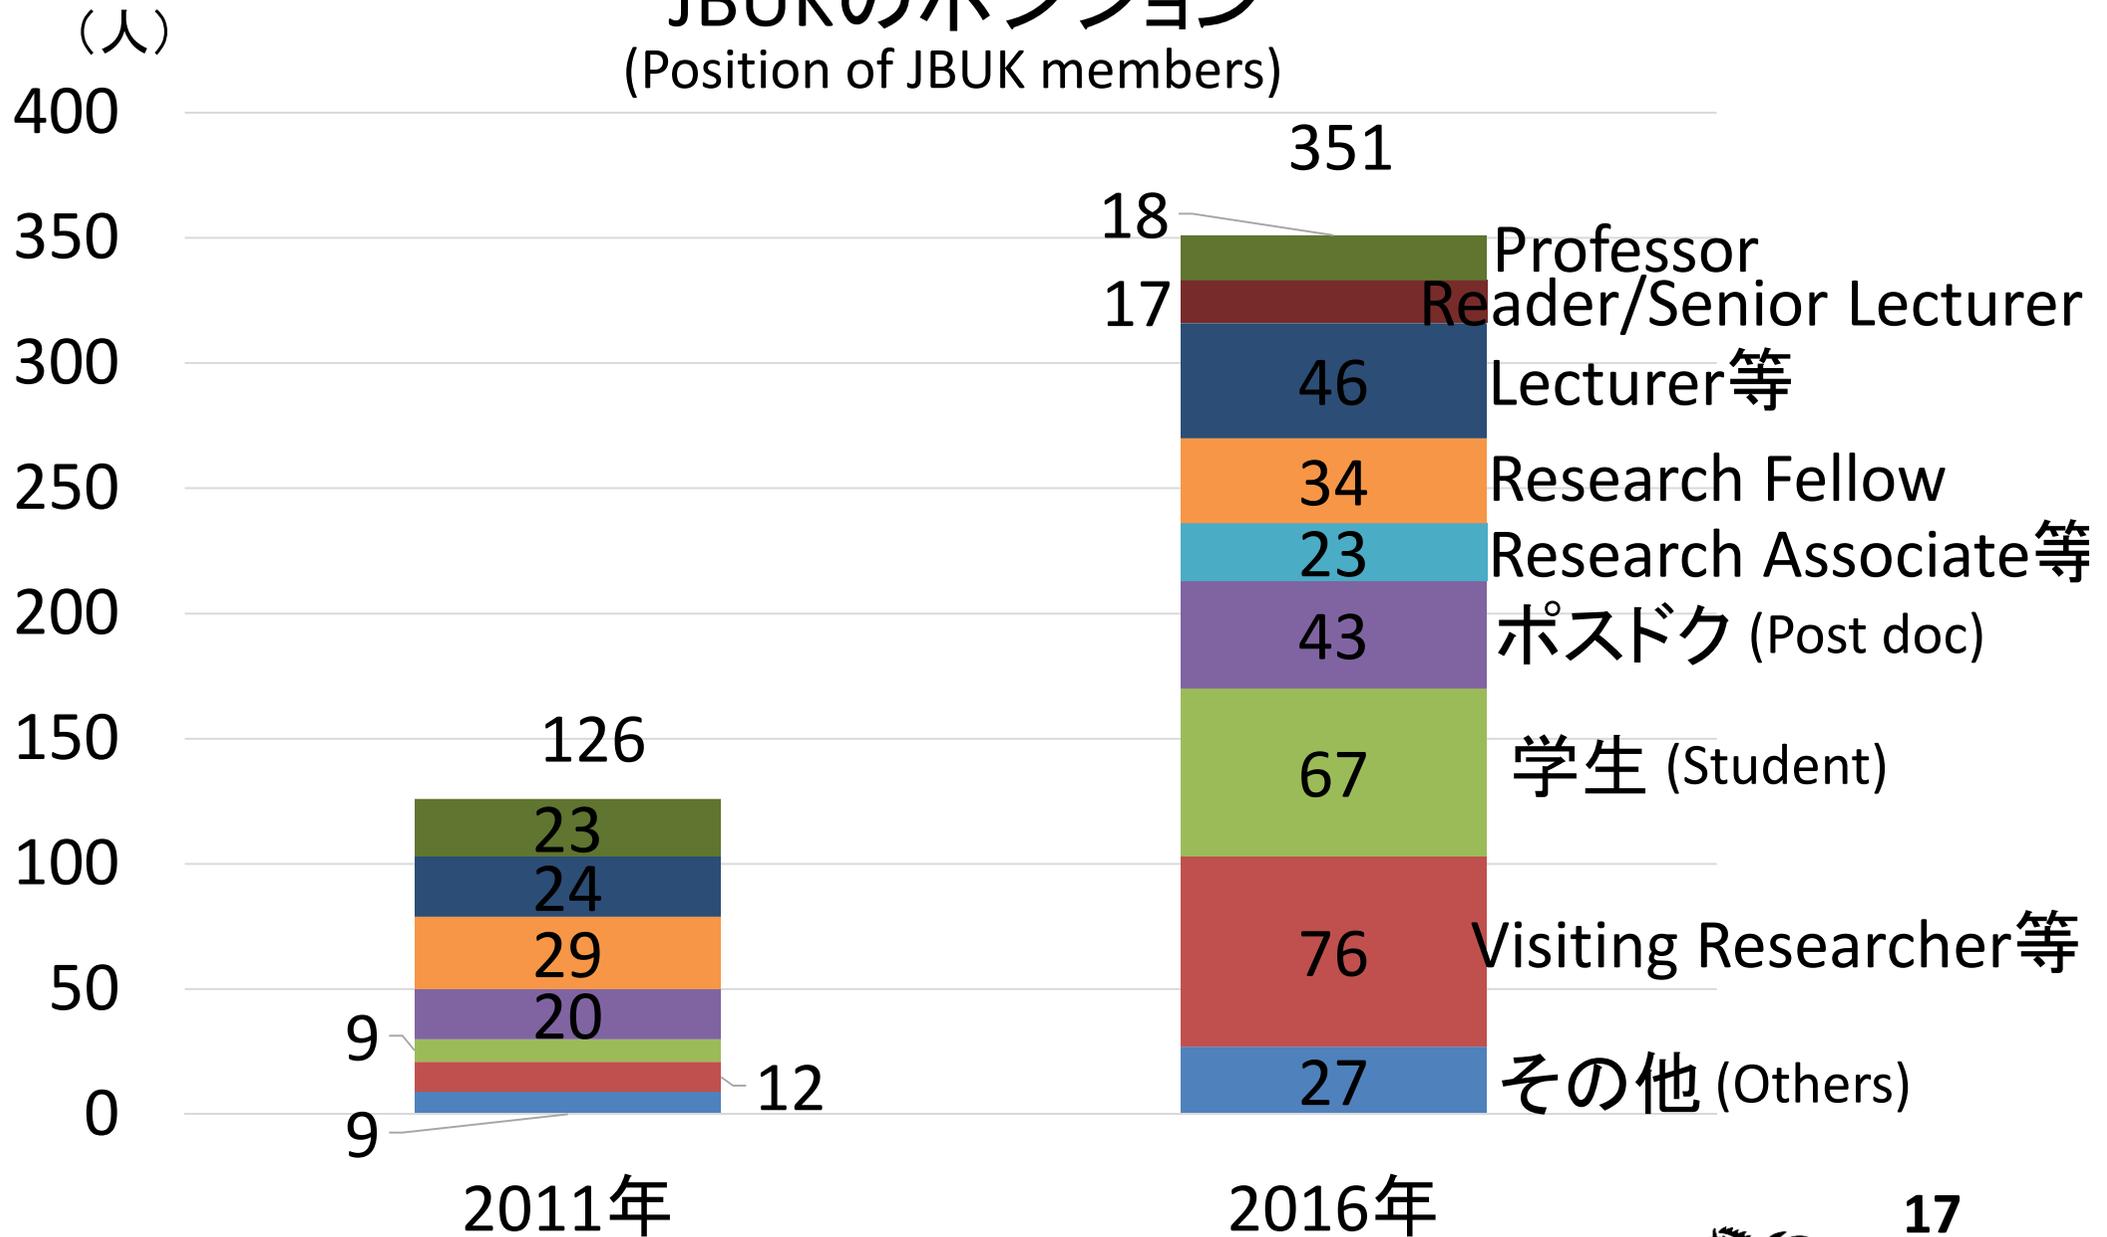

■ 人文系 (Humanities) ■ 社会科学系 (Social Sciences) ■ 理工系 (Science & Engineering) ■ 生物系 (Biological Sciences)

16

JBUKのこれまで

JBUKのポジション (Position of JBUK members)

2016年～（支援拡大期！）

- 在英日本人研究者（特にPI）＝日英学术交流の柱
- 日本に対して、またイギリス内での存在感アップ

→ JBUK Japan Award（日本への短期渡航旅費支援）
同窓会との共催イベント
JBUKロゴ 等々

JSPS本部も「在外日本人研究者」に関心あり。
JBUKは他国に比べてネットワーク化が進んでいる！
